

## **TOWN POLICIES AND ORDINANCES**

This is a list of all Town ordinances and policies adopted by the Town either at Town Meeting or at a Selectmen's meeting. This list covers the period from 1932 to the present. The list runs chronologically starting with the earliest date first. The list is probably incomplete because there are no minutes before 1975 and minutes are missing from January 1990, November 1990, December 1990, January 1991 and February 1991.

The date column is the date the action was adopted, the article number refers to the specific article at Town Meeting, if the action was adopted there, the minutes column is the date action was taken by the Selectmen and the comments column includes the text of the action taken. The comments column also contains a notation as to where the original document or the minutes can be found in the Town archives.
