

Dublin Conservation Commission

DRAFT MINUTES

May 24, 2022

5 PM Town Hall

Members attending: Jay Schechter, Katie Wardlaw, Felicity Pool, Maria Finnegan, June Brening, Jerry Branch, John Morris (arrived late)

Open Space – Felicity willing to try August social to discuss land conservation. John will assist with mapping needed. Maria to obtain brochures for presentation. Jay to confirm that town has folded Open Space Committee into Con Com. Felicity & Katie F reviewed mapping program with SWRPC.

Rotary Park – Plantings done. Signs ready. Jerry to do following 1) Write article about cleanup in the park for July Advocate and another once all improvements are done. 2) Coordinate Good Digs and Road Dept about additional work. 3) Budget spending at park for balance of year.

Group Liaison – Beech Hill / Dublin Lake group meeting with Harris Center to discuss having trails used for education hikes for school/other groups. May suggest Rotary Park also.

NH Lakes Association is willing to come discuss their mission. Possible Dub Hub event.

John will email his town land listing to the group.

Jay will write invasive plants article for July Advocate. Some additional locations were discussed.

Felicity and Katie W. volunteered to help with knotweed outreach calls re scheduling.

Katie W. met with Roger Trempe and Chris Raymond to discuss putting water bars in high traffic areas in front of Spencers (Clark's Cove) as a test project to see the efficacy of them.

Jay will contact Dublin School re their wetlands applications to see if any action is needed by Conservation Commission.

The meeting adjourned at 6:25 PM.

Respectfully submitted, Jay Schechter and John Morris, Secretary
