Dublin Lake Preservation Committee
DRAFT MINUTES
September 18, 2018
Dublin Public Library

Members attending: Felicity Pool (chair), Karen Bunch, Hank Campbell, Tom Warren, John Morris

Meeting Opened at 7:02 PM.

Motion to approve minutes from the August 23 meeting, with minor corrections, was passed.

Discussed cemetery road issues.

• Felicity has not heard from Selectmen re DLPC letter send last month. John will hopefully see Walter Snitko at tomorrow's Dublin Conservation Commission meeting and will followup with him.

• Felicity reports that the Beech Hill Dublin Lake Watershed Association will not be involved in projects that are not directly related to Beech Hill runoff.

• Felicity raised issue of silt in Cemetery Cove and whether we should consult with someone about looking into dredging. After some discussion it was felt that road issue was so big we should focus on it first, then look into remediation.

• Funding sources were discussed. Garden Club monies are being held – we will not pursue small project at this time – until we come up with a new plan.

• Tom will consult with Rotary Club re any funding available.

Other Items:

• Advocate article – Felicity will write an article highlighting the CEI report.

• Abutters letter – John will draft a letter to lake abutters re plowing

• Weed Watch. Tom did some checking and will try to arrange a more thorough sweep with others.

• Lake Host coordinator needed. A couple of names were brought up and will be followed up by DLPC members.

Next meeting set for October 30, 2018, 7:00 PM Dublin Public Library.

Meeting Adjourned at 7:53 PM.

Respectfully submitted, John Morris, Secretary pro tem.
