Dublin Conservation Commission

Meeting Minutes
Wednesday, 8-December 2010

In attendance: Jack Lewis (Chair), Sterling Abram, Jerry Branch, Sue Yarger, Rusty Bastedo, and Suzan Macy

The meeting was called to order at 7:00 p.m.

The October 2010 minutes were approved; the November 2010 minutes were accepted with edits.

The committee reviewed a memo from the Dublin Selectmen regarding the proposal to sell two small Dublin-owned lots: a ? acre lot on Rte 101 and a ~17 acre lot on Old Troy Rd.

After some discussion, we could not find reasons why the lots should not be sold but wished to have certain conditions included. A motion was made to accept the proposal with a set of conditions to the sale, they being that the areas not to be adversely developed and that any development does not affect the water supply. The motion was seconded and approved. A memo covering each of the two properties will be sent to the Board of Selectmen.

Jerry Branch and the Monadnock Rotary Club are looking to name the Howe Reservoir park area and would like some suggestions. The group agreed to think about it.

Jack Lewis mentioned that neighbors of Norman Davis had filed a Motion for Reconsideration of the NHDES decision to approve a wetlands permit covering the placement of a culvert on Map 8 Lot 37A.

The DCC budget was discussed. The 2011 budget submitted is less than the 2010 budget. All agreed and approved the budget.

The next DCC meeting is planned for Wednesday, 9-Feb-2011.

The meeting was adjourned at 8:30 PM

Respectfully submitted, Sue Yarger
