Recycling committee minutes
June 20, 2019

Present: Leslie Whone, Meredith Martin, Joe Carignan, Tom Kennedy
Absent: Jane Holmes, Sheila Morse, Rick MacMillan

Discussed replacing the storage trailers (one has been condemned) with a prefab 40’x45’ hangar type building. We should get a picture to place at the recycling center. Next step is contingent on approval by the select board and DES with Tom Kennedy on whether the committee needs to set up a meeting.
