Present: Leslie Whone, Meredith Martin, Sheila Morse, Tom Kennedy, Jane Holmes
Absent: Joe Carignan, Rick MacMillan

Meredith shared an article from the Sentinel on recycling. She will provide a link if someone wants it,
According to Tom the select board intends to write a warrant article requesting approval to spend Transfer Station funds as needed for various improvements.
We discussed companies that take recyclables and changes in contracts that have been proposed.
Revisited options for storage containers/trailers and ways to access them when it's muddy or icy. Having extra storage may allow us to generate more income when the contents are recycled.
The Committee would give priority to a new storage building. We will invite someone from the select board to attend our next meeting to discuss ways to proceed.

Meeting adjourned at 6:50
Next meeting is scheduled for November 21, 2019 at 6 pm in the library.

Respectfully submitted,
Jane Holmes
