URGENT INFORMATION REGARDING COVID 19 and TOWN FACILITIES

Due to events that have transpired within the last 48 hours in relation to the Corona Virus, we are asking the residents and visitors to the Town of Dublin to take the following precautions. These actions are the same procedures that are being implemented in many towns and cities across the State as well as the U.S.

The Transfer Station will remain open, but we will not be accepting recyclables until further notice. Please place all trash and recyclables directly into the compactor yourself; the Superintendent will not be handling any items.

The Town Office will be closed to the public. If you have Town business that you can conduct from home by telephone or internet, it is strongly encouraged. Please contact Sherry Miller, Town Administrator at 563-8544 or 848-1678 if you need immediate assistance.

The Town Clerk / Tax Collector’s office has been instructed to remain closed to the public. In order to keep residents safe in light of the situation with the COVID-19 pandemic, we are asking residents to renew their registrations by mail if possible. The NH Department of Motor Vehicles is waiting for further guidance from the Governor’s Office on how we will be proceeding with all types of registrations and they are asking us to please stand by for further guidance. For new transactions, the Governor has authorized us to extend all temporary plates issued after 3/1 until April 30, 2020. If your registration expires at the end of March, at this point you will need to do this as soon as possible in order to get your registration back in the mail before it expires. You can do this by calling the Town Clerk’s office at 563-8859, Ext. 3 to get the correct amounts to write on your checks. In order to find this information, we will ask you for the month of expiration, your name, and the year, make and model of each vehicle that you will be renewing. Once you have the amounts, you can write your checks and send them along with:

1) A copy of your old registration, or a piece of paper with the name of the first person (or company name) on the registration, and the year, make and model of the vehicle, and

2) A self-addressed envelope.

We will renew the registration and mail it to you by our next business day. At this time, we expect to be available to answer you phone calls and emails from 9am to 4pm on Tuesday, from 9am to 5pm on Wednesday, and from 9am to 4pm on Thursday.
We have recommended that the Planning Board / Zoning Board and other Town Boards and Committees postpone any meetings and or hearings. If necessary, they are encouraged to meet via teleconference on their regularly scheduled meeting date and record their meeting.

The Archives building will be closed to the public until at least April 6, 2020. If you need immediate assistance please call Nancy Campbell 563-8545 or email her at dublinhistory@townofdublin.org.

The Dublin Public Library is closed until at least April 6, 2020.

SAU 1 Con-Val school district has canceled all classes and activities until April 6th 2020.

We encourage everyone to follow the CDC and DHHS guide lines on prevention and spread of the Corona Virus.

https://www.nh.gov/covid19/

This is a dynamic event that changes by the hour. There is no need for panic, but we need to practice precautions and prevention to help prevent the spread of the virus. We are following the recommendations from our State and Federal partners. The Town website has contacts for all Town department heads if you need assistance or information, but if you have an emergency please call 911. As we approach April 6th, we will reevaluate the situation.

We thank everyone for their cooperation during this period.

Emergency Management Director – Tom Vanderbilt 562-6960 or tvanderbilt@townofdublin.org
Health Officer – Mike Borden 547-0437 or mbordenbi@gmail.com
Town Administrator – Sherry Miller 848-1678 or townadministrator@townofdublin.org
Board of Selectmen – Walter Snitko, Chris Raymond and Carole Monroe or selectmen@townofdublin.org
